Tulip Time in Michigan

CLYDE H. GEERLINGS

*"It's Tulip Time at Zwiep's every year in May"*

# **TULIPS for three generations**

Both the Father and the Grandfather of Dick Zwiep (owner of Zwiep's Tulip Gardens) devoted their lives to the culture of fine tulips and other spring flowering bulbs. This tradition of bulb growing with the art and lore of tulips was brought to Holland, Michigan, shortly after the turn of the century.

And for the past forty years Dick Zwiep has continued to follow his family's vocation. During these years he has cultured and imported millions of bulbs. Working with, and personally directing the men in the fields, Dick Zwiep has earned an enviable reputation. Zwiep knows bulbs. Bulbs you order from Zwiep's Tulip Gardens will provide your garden with new varieties, new color. Zwiep bulbs will give you pride and pleasure for years to come.

## Personalized, Metal, Outdoor Home Markers of Quaint Dutch Craftsman Design

If you're keen on being just a **little** different than the neighbors, then you'll want one of these **distinctive** home markers. These markers are cast aluminum, protected with black waterproof paint — three coats of it, with a Swedish iron finish on the ornaments.

The signs are mounted on decorative brackets which can readily be attached to the house itself, or to a tree or post. The markers are about 10" high, with

6½" bracket, and the sign plate is 4" by 10".

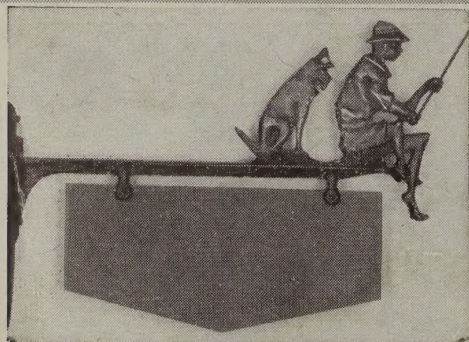

Three of our favorite designs are shown here. Any one of them can be yours, with your family name, or the name of your home in attractive lettering. And the price? Just \$6.75! Send check or money order, no C.O.D.s. Indicate type desired, and lettering. Sign shipped prepaid.

For a long, long time you'll be glad that you have one of the Zwiép markers.
